Please ensure you submit all the relevant original documents that you want the Entry Clearance Officer to see when considering your application. The list below is for guidance only. It is not a list of documents that you should or must supply. The UK Immigration Rules make it clear that it is your responsibility to satisfy the Entry Clearance Officer that you are genuinely seeking entry to the UK for the purpose and duration that you have stated. Submission of particular documents does not guarantee that your visa will be issued. It is your decision how you satisfy the Entry Clearance Officer that your intentions are as you state in your application. It is your choice which documents you submit.

It is better to explain why you do not have a document than to submit a false document. Your application will be automatically refused and you may be banned from coming to the UK for 10 years if you use a false document, lie or withhold relevant information. You may also be banned if you have breached immigration laws in the UK.
